

**Registration Form**  
 1st Annual KickBALL Cancer  
 Benefiting the Lance Armstrong Foundation  
 April 10, 2010 – 11am to 6pm

Sigma Nu Fraternity is excited to be hosting the first annual KickBALL Cancer event at NC State’s Miller Intramural Fields. The event will benefit the Lance Armstrong Foundation, which funds cancer research and also supports families that have been affected by cancer.

The event will start with pool play, and teams will be notified of their scheduled game times. Each participating team will be guaranteed to play at least two games. After teams finish their games, the top 4 teams in each bracket (Men’s, Women’s and Co-rec) will play for the championship. The top 3 finalists of each bracket will win a trophy.

After trophy presentations, at around 5 pm, we will have a catered BBQ dinner free for all participants. Additional plates will be sold for \$5 per person.
