

FarmHouse Fraternity

Kansas State University

***Building men intellectually, spiritually,
socially, and physically.***

- Men of all majors are welcome to join
- All house GPA consistently in the top three among fraternities on campus
- Active in university intramurals (Participated in intramural playoffs in flag football, soccer, volleyball and frisbee last semester)
- Support various philanthropies and charities
- Men are active in community service and volunteering around Manhattan
- 3 recent K-State Student Ambassadors have been FarmHouse men
- Many men are active in the K-State Student Government Association
- No alcohol on FarmHouse property or at any FarmHouse events
- Reputation around the community for having a very clean house
- Recent renovation added an educational wing, providing a library type atmosphere for men to study
- Multiple Bible studies led by FarmHouse men and alumni
- Interact with other Greeks during functions, date parties, and philanthropies
- Living in FarmHouse is less expensive than living in the residence halls
- New members can move straight into the house
- You automatically have 60 new brothers to help you adjust to college life
